

[jakob]

Seat and dine.

[jakob] is the *gourmet* in your living area. Besides, you have the choice from materials in different version – beautiful, natural wooden leg frames or, nevertheless, the *filigree* tube-wire frame? Which choice is yours?

Design: Michael Plewka

This model is also available in different cover qualities and colours.

Cover bench: Z59/20 ice grey; Cover chair: Z59/54 brown

**Order information****Combined covers:**

This model is available fully covered in fabric or leather as well as covered in combined covers. See image and price list.

Price 1: back outside

Price 2: seat and back inside

Seam appearance:

Decorative, felled or double seams may appear different in fabric and leather versions. For manufacturing reasons, seams may be left out of the fabric version or replaced with simple seams.

Load-bearing capacity:

A maximum load-bearing capacity of this chair up to 120 kg is guaranteed.

Floor protection:

For the protection of your floor with smooth surfaces you should attach felt planing hull on the frame.

All of the dimensions given are approximate dimensions in cm. We reserve the right to make changes. Dimensions are given as follows: width/depth/height/seat height.

Seat depth: ca. **44 cm**

Armpart height MEX and MEY armchairs:

front: ca. **67 cm**

middle: ca. **70 cm**

back: ca. **73 cm**

Leg-/frame versions:

tube-wired frame FM5, in different colours

- high-gloss chrome **for surcharge** (item no. = CG, CG1)

- silver powder-coated M21

- bronze powder-coated M56

- black powder-coated M99

- wood frame FM8 in oiled oak P58

Model-specific qualities:

The upholstery of this model has intentionally been made loosely to create a certain visual effect. This is not a quality defect but a model-specific characteristic that guarantees optimum seat comfort.

Chromatic aberrations:

The wooden structure is different from ordering to ordering. Deliveries after colour samples are basically excluded from complaints and exchange. We take care of the best correspondence possible.

Order checklist

- Cover (combination available)
- Leg frame finish
- Metal colour for frame - high-gloss chrome for surcharge

Upholstered furniture frame structure

1. **frame** - seat/back laminated wooden shell; side section on MEX, MEY metal frame, foamed in place
2. **seat suspension:** layered glued wooden shell; benches with permanently elastic wave springs
3. **Back upholstery structure** of ergo-PUR foam with diolen cover
4. **back suspension:** layered glued wooden shell; benches with lining
5. **Back upholstery structure** of ergo-PUR-foam with diolen cover

Upholstered furniture made with passion.

Your model is the product of German design and engineering. The family-owned company W.SCHILLIG has more than 70 years' experience of technical skill, trend-setting ideas, attractive design and know-how from Germany. The result is upholstered furniture that guarantees first class comfort and attention to detail. We keep sustainability and protection of resources in mind when choosing the materials we use.
