The wire tube frame for benches and chairs (F M5) is black powder-coated.

Combined covers

This model can also be supplied in combined cover qualities and cover colours. See order information and image.

ORDER INFORMATION

Combined covers:

The model is also available in combination of different cover qualities and colours. For combination see price list.

Bench elements:

Price 1: Carcass (back tension part at the back bottom & side parts outside)

Price 2: Cushions (back tension part at the top of the back cushion, side parts inside & back and seat cushions)

Chairs:

Price 1: Carcass (outside)

Price 2: Cushions (cover inside (back and seat).

Frame structure of the chairs:

The chairs have a different frame structure than the group. This also results in a different seat firmness.

Load-bearing capacity:

A maximum load-bearing capacity of this chair up to 120 kg is guaranteed.

Seam appearance:

Decorative, felled or double seams may appear different in fabric and leather versions. For manufacturing reasons, seams may be left out of the fabric version or replaced with simple seams.

All of the dimensions given are approximate dimensions in cm in width/depth/height/seat height. We reserve the right to make changes.

Seat depth benches: ca. **48 cm**

Armpart height benches: approx. **67 cm**

Seat depth chairs: approx. **44 cm**

Armpart height chairs: approx. **70 cm**

Armpart width benches: approx. **9 cm**

Armpart width chairs: approx. **7 cm**

Contrasting thread:

This model is available in leather and some fabric colours with contrasting colour thread at no extra charge. You will find the specified colours

in our fabric/leather trolley. Please state the no., otherwise tone-in-tone will be delivered.

Digital fabric/leather and colour samples:

The visual appearance of the covers and colour samples may vary, samples in accordance - colour and structure deviations possible.

LEGS

hair pin leg black powder-coated

F 04

tube-wire frame black powder-coat.

F M5

hair pin frame black powder-coat.

F 11

tube-wire frame black powder-coat.

F M5

quadpod leg fixed black

F 2F

Powder-coated:

The colour M99 black is powder-coated.

Legs for benches:

The benches are available with the hairpin frame F04 and the wire tube frame FM5 in black powder-coated.

Legs for chairs:

Chairs MU/MEU - hairpin frame F11, black powder-coated
Chairs MX/MEX - wire tube frame FM5, black powder-coated
Chairs MD/MED - quadpod frame F2F, black

powder-coated, with swivel function (art. no. DDB) or swivel function with return spring (art. no. DRF) at extra charge

Legs and floor protection:

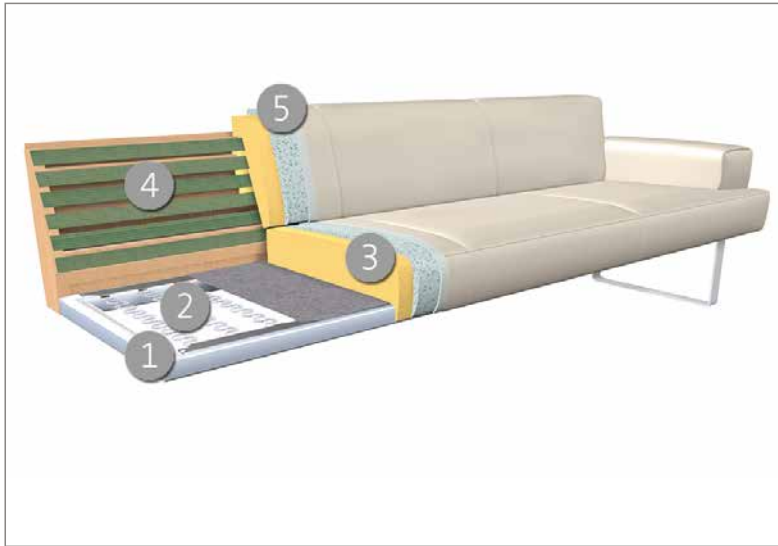

With slim furniture legs with a small gliding surface, there is increased pressure on the

floor. We recommend fitting glides or an underlay to protect against scratches and pressure marks on sensitive floors.
