15350

Elegant, extravagant, en vogue - a sofa of the upper class. The focus of **sally** 15350 is clearly on the special curve of the armrest - its shape is further supported by the striking piping and lends it an unusual design language. The overall impression is perfected by the metal legs, which are available in different metal colours. Design: Jan Armgardt

### Note on upholstery construction:

Ticking cushions have been used in the back.

These may show under the cover. This is a typical feature of the product.

### Especially casual upholstery:

The upholstery is especially casually processed to create a certain appearance with a super soft surface. The covers may already show a pronounced wavy appearance on delivery, which is intentional due to the design and construction

and may become even more pronounced with use. This is not a quality defect, but a model-related characteristic.

### Digital fabric/leather and colour samples:

The visual appearance of the covers and colour samples may vary, samples in accordance - colour and structure deviations possible.
