All pieces are genuinely upholstered at the back.

Connecting sides:

For a surcharge, the connecting sides can be supplied in the original cover instead of stretch fabric.

Decorative, felled or double seams may appear different in fabric and leather versions. For

manufacturing reasons, seams may be left out of the fabric version or replaced with simple seams.

All of the dimensions given are approximate dimensions in cm in width/depth/height/seat height. We reserve the right to make changes. Measurements are shown without cushions and pillows.

Loose cushions:

Crease formation:

Fabric and leather stretch to a lesser or larger

Metal colours:

All legs are available in different metal colours. Please indicate when ordering.

Powder-coated:

The colours M21 silver, M56 bronze and M99

black are powder-coated.

Legs and floor protection:

In case of very slender furniture legs with deliberately filigree shapes and with small surfaces, it comes to a raised pressure on the

floor. We recommend felt pads or another suitable mat as protection for scratches and pressure points in connection with sensitive and/or soft floors. Even if you barely move the furniture, it can be helpful to have a carpeted

floor.

Legs for armchair:

The MD turnable armchair is available with the leg F 6Q, only.
