Flexible seat depth

Some items have a movable back support for some cm backwards to extend the seat depth. Also the total depth changes. See type guide.

**Simply nice**

The striking tuck at the outside edges of the cushions provides a unique look.

**Metal colours for legs**

The metal leg F S1 is available in the versions high-gloss chrome, silver, bronze or black. Please indicate your preferred appearance when ordering.

**Order information****Back sides of sofas:**

All pieces are genuinely upholstered at the back.

Connecting sides:

For a surcharge, the connecting sides can be supplied in the original cover instead of stretch fabric.

Seam appearance:

Decorative, felled or double seams may appear different in fabric and leather versions. For manufacturing reasons, seams may be left out of the fabric version or replaced with simple seams.

Base leg Z:

If elements and sofas with or without an armpart are to be attached directly to elements or sofas with or without an armpart, a base leg Z is required. The base leg must be ordered separately. See price list.

All of the dimensions given are approximate dimensions in cm. We reserve the right to make changes. Dimensions are given as follows: width/depth/height/seat height.

Seat depth: approx. **60 cm**

Seat depth with function: approx. **80 cm**

Seat depth KL85R/L: approx. **125 cm**

Seat depth KL85R/L with function: approx. **145 cm**

Recommended minimum wall clearance: approx. **15 cm**

Armpart width: approx. **46 cm**

Armpart overhang: approx. **15 cm**

Back overhang with function: approx. **11 cm**

Model-specific qualities:

The upholstery of this model has intentionally been made loosely to create a certain visual effect. This is not a quality defect but a model-specific characteristic that guarantees

optimum seat comfort.

Chromatic aberrations:

The wooden structure is different from ordering to ordering. Deliveries after colour samples are basically excluded from complaints and exchange. We take care of the best correspondence possible.

Order checklist

- Structure and cover
- Metal colour for legs
- Pillows
- Base leg Z

Upholstered furniture frame structure

- 1. Frame** – beech wood structure; back: metal construction
- 2. Seat suspension** with permanently elastic wave springs
- 3. Seat upholstery structure** – spring core with diolen cover incorporated into **ergo**-PUR-foam
- 4. Back suspension** with upholstery strap and **ergo**-PUR-foam
- 5. Back upholstery structure** of **ergo**-PUR-foam with diolen cover

Upholstered furniture made with passion.

Your model is the product of German design and engineering. The family-owned company W.SCHILLIG has more than 70 years' experience of technical skill, trend-setting ideas, attractive design and know-how from Germany. The result is upholstered furniture that guarantees first class comfort and attention to detail. We keep sustainability and protection of resources in mind when choosing the materials we use.

The RAL quality mark for furniture stands for the certain knowledge that this is a non-hazardous piece of furniture of reliably high quality and with an attractive design. The Deutsche Gütegemeinschaft Möbel makes sure of this with numerous tests. Inspections also safeguard the testing system.

The highest European accolade for systematic, in-house, environmental management. Improvement of environmental protection services.

Legs

metal leg diff. metal col.

Metal colours:

The leg is available in different metal colours. Please indicate when ordering.

Powder-coated:

The colours M21 silver, M56 bronze and M99 black are powder-coated.

Legs and floor protection:

In case of very slender furniture legs with deliberately filigree shapes and with small surfaces, it comes to a raised pressure on the floor. We recommend felt pads or another suitable mat as protection for scratches and pressure points in connection with sensitive and/or soft floors. Even if you barely move the furniture, it can be helpful to have a carpeted floor.
