Simply nice

The discreetly used, striking tuck at the outside edges of the upholstery provides a unique look.

Almost invisible

Floor-protecting plastic glides are mounted almost invisibly under the upholstered furniture.

ORDER INFORMATION

Back sides of sofas:

All pieces are genuinely upholstered at the back.

Positioning diagram:

Please send us a positioning diagram, depending on the different variations available. The connecting sides got marked in red for some elements in the type guide.

Connecting sides:

For a surcharge, the connecting sides can be supplied in the original cover instead of stretch fabric.

Seam appearance:

Decorative, felled or double seams may appear different in fabric and leather versions. For manufacturing reasons, seams may be left out of the fabric version or replaced with simple seams.

Two-piece sofas:

www.schillig.com

The sofas N120 and N120R/L consist of 2 parts (M120R and M120L) that are connected to element connectors.

All of the dimensions given are approximate dimensions in cm in width/depth/height/seat height. We reserve the right to make changes.

Seat depth: approx. **66 cm**

Seat depth one arm chaise: approx. **127 cm**

Armpart width: approx. **30 cm**

Armpart height: approx. **60 cm**

Model-related feature:

The upholstery is deliberately processed casually to create a certain visual appearance. Waving is not a quality defect, but a model-related feature that ensures optimum seating comfort.

Digital fabric/leather and colour samples:

The visual appearance of the covers and colour

samples may vary, samples in accordance - colour and structure deviations possible.

UPHOLSTERED FURNITURE FRAME STRUCTURE

The design of the cross-section shown here is based on a sample and serves to illustrate the upholstery structure.

- 1. Frame** – Beech wood structure
- 2. Seat suspension** with permanently elastic wave springs
- 3. Seat upholstery structure** – spring core with di-olen cover incorporated into **er-go**-PUR-foam
- 4. Back suspension** due to upholstery strap
- 5. Back upholstery structure** of **er-go**-PUR-foam with diolen cover

Upholstered furniture from passion.

For more than 75 years, this passion has led to the creation of high-quality and special pieces of furniture and designer furniture - sofas that combine elegant and contemporary design with first-class comfort. We stand for craftsmanship, trend-setting ideas, appealing design and know-how from Germany. The result is upholstered furniture with guaranteed first-class comfort and attention to detail. When selecting our materials, we prioritise quality, durability and compliance with the DIN & RAL guidelines of the DGM.

- Traditional craftsmanship down to the last detail
- High-quality materials for a long service life
- Careful & precise workmanship
- Cooperation with renowned furniture designers
- Production according to DIN & RAL quality guidelines of the Deutsche Gütegemeinschaft Möbel e.V.
- Regularly tested product quality
- Development at the Upper Franconian location in Ebersdorf near Coburg
- Carefully selected fabric and leather cover collections in many colours for a wide range of requirements.
