

Cover: Z69/50 cognac

piedroo^{plus}

21156

Comfortable and modern.

piedroo^{plus} 21156 has ground clearance and shows off a beautiful box pleat in the armrest. It becomes really inviting in combination with the oversized one arm chair. The functional headrest adjustment is included with this model, and a motorised seat extension can be ordered for an extra charge. A contrasting colour thread is available at no extra charge.

Flexible headrest

The items are equipped with a flexible headrest with notch function as standard.

Extendible bed surface

Some items can be fitted with the seat extension in return for a surcharge. The total depth extends. Item no. = A02.

Metal colours for legs

Some legs can be ordered in high-gloss chrome-, silver, bronze- or black-coloured. Please indicate.

Absolutely eye-catching

The armrest design of the model provides an interesting look and stands for special craftsmanship.

Castors for ottomans

The ottomans can be equipped with castors for surcharge. Two of the castors can be created. Thus a big surface can be created.

ORDER INFORMATION

Extendible bed surface:

The sensor touch button for the seat extension by motor is located in the middle under the back cushion.

Back sides of sofas:

All pieces are genuinely upholstered at the back.

Positioning diagram:

Please send us a positioning diagram, depending on the different variations available. The connecting sides got marked in red for some elements in the type guide.

Base leg Z:

If elements and sofas without or with 1 armrest are to be placed directly against elements or sofas without or with 1 armrest, a base leg Z is required and must be ordered separately.

Connecting sides:

For a surcharge, the connecting sides can be

www.schillig.com

supplied in the original cover instead of stretch fabric.

Seam appearance:

Decorative, felled or double seams may appear different in fabric and leather versions. For manufacturing reasons, seams may be left out of the fabric version or replaced with simple seams.

All of the dimensions given are approximate dimensions in cm in width/depth/height/seat height. We reserve the right to make changes. The depth includes the overhang with the headrest folded back.

Seat depth: approx. **57 cm**

Seat depth with function: ca. **77 cm**

Armrest width: approx. **35 cm**

Armrest height: approx. **58 cm**

Height, if headrest up:

ca. **90 cm**

Recommended minimum wall clearance: approx. **15 cm**

Crease formation:

Fabric and leather stretch during use, "creases" may form in the cover. This has no influence on use, function and service life and does not constitute a material defect.

Digital fabric/leather and colour samples:

The visual appearance of the covers and colour samples may vary, samples in accordance - colour and structure deviations possible.

Thread implementation:

The model is available in the thread implementation standard or with contrasting-coloured pearl-thread contrasting thread (nicely twisted thread). If you do not indicate something when ordering, you receive the standard thread. If you indicate the contrasting thread, you automatically receive the pearl thread.

metal castor/otto-
man, **surcharge**

F 6R

Castors for ottomans:

Every ottoman can be equipped with castors against surcharge. The item number is RO. Two of the castors can be fixed.

Chromatic aberrations:

The wooden structure is different from ordering to ordering. Deliveries after colour samples are basically excluded from complaints and exchange. We take care of the best

correspondence possible.

Metal colours:

The leg is available in different metal colours. Please indicate when ordering.

Powder-coated:

The colours M21 silver, M56 bronze and M99 black are powder-coated.

Leg and floor protection:

Slim furniture legs with a small gliding surface

exert increased pressure on the floor. For sensitive floors, we recommend fitting glides/ an underlay to protect against scratches and pressure marks.
