Flexible armparts

The armparts are foldable and fitted with notch function as standard.

Extendible ottoman

The GF 004 ottoman can be extended in its width and has storage capacity. With the wooden board it becomes a table. It is available in different colours.

Leg and seat heights

The model is available in different seat heights according to the different leg heights. The leg version has to be indicated.

Contrasting thread

In some leather and fabric colours this model can be supplied with a contrasting-coloured thread, at no surcharge.

ORDER INFORMATION

Flexible armparts:

Maximum load capacity up to 25 kg, they are not seats.

Ottoman GF 004:

The width of the ottoman GF 004 is extendible up to 167 cm. There is a huge storage capacity under the seating surface. The intermediate table UG 004 changes the ottoman into a table. It can be ordered as an option. Ottomans with function do not have coil springs in the seat. The wooden board of the intermediate table is available in different stain shades. Please indicate the desired wood colour when ordering.

Back sides of sofas:

All pieces are genuinely upholstered at the back.

Standard deep and extra deep elements:

Elements with standard depth are shown light grey coloured, extra deep elements dark grey

www.schillig.com

coloured. They cannot be connected.

Connecting sides:

For a surcharge, the connecting sides can be supplied in the original cover instead of stretch fabric.

Seam appearance:

Decorative, felled or double seams may appear different in fabric and leather versions. For manufacturing reasons, seams may be left out of the fabric version or replaced with simple seams.

Contrasting thread:

This model is available in leather and some fabric colours with contrasting colour thread at no extra charge. You will find the specified colours in our fabric/leather trolley. Please state the no., otherwise tone-in-tone will be delivered. We recommend the armchair no. 10260 [stan] as an occasional furniture.

All of the dimensions given are approximate. dimensions in cm. We reserve the right to make changes. Dimensions are given as follows: width/depth/height/seat height and refer to the leg height ca. 13 cm.

Seat depth: approx. **59 cm**

Seat depth for articles with appendix "L":

approx. **69 cm**

Width GF 004 if completely enlarged: ca. **167 cm**

Seat height: approx. **41 cm/43 cm**

Colour deviations:

The structure of the natural material wood is different for each delivery. Orders according to colour samples are excluded from complaints and exchange. We strive for the best possible match.

Crease formation:

Fabric and leather stretch during use, "creases"

may form in the cover. This has no influence on use, function and service life and does not constitute a material defect.

Base leg Z:

If elements and sofas without or with 1 arm part are to be placed directly against elements or sofas without or with 1 arm part, a base leg Z is required and must be ordered separately.

Digital fabric/leather and colour samples:

The visual appearance of the covers and colour samples may vary, samples in accordance - colour and structure deviations possible.

F 60

Leg and seat heights:

Due to different leg heights, the model is available in different seat and total heights. The leg version has to be indicated.

Plastic castors F 60 with approx. 5 cm can be fitted to the GF 004 ottoman, the metal runner is not possible for production reasons. Visually matching legs are fitted in place of the FS1/FV8 legs.

Leg and floor protection:

Slim furniture legs with a small gliding surface

exert increased pressure on the floor. For sensitive floors, we recommend fitting glides/ an underlay to protect against scratches and pressure marks.
