## ORDER INFORMATION

### Electric legrest - Operation:

Triggered via a sensor touch button between the seat and side section, legrest moves up from under the sofa.

### Delivery of the legrestfunction:

If the legrest function is ordered in addition FSR/FSL/FSB, it is delivered separately with the group and assembled on site.

### Load capacity of the electric legrest:

The legrest can bear a max. load of 20 kg. It does not serve as a seat.

### Flexible armparts:

A max. load-bearing capacity up to 25 kg is guaranteed for functional armrests. They are not a seat.

### Back sides of sofas:

All pieces are genuinely upholstered at the back.

### Positioning diagram:

[www.schillig.com](http://www.schillig.com)

Please send us a positioning diagram, depending on the amount of different variations available. We have marked the connecting sides in red for end elements in the type guide.

### Connecting sides:

For a surcharge, the connecting sides can be supplied in the original cover instead of stretch fabric.

### Seam appearance:

Decorative, felled or double seams may appear different in fabric and leather versions. For manufacturing reasons, seams may be left out of the fabric version or replaced with simple seams.

**All of the dimensions given are approximate dimensions in cm in width/depth/height/seat height. We reserve the right to make changes. The depth includes the overhang with the headrest folded back.**

### Model-related feature:

The upholstery is deliberately processed casually to create a certain visual appearance. Waving is not a quality defect, but a model-related feature that ensures optimum seating comfort.

### Base leg Z:

If elements and sofas without or with 1 armpart are to be placed directly against elements or sofas without or with 1 armpart, a base leg Z is required and must be ordered.

### Contrasting thread:

This model is available in leather and some fab-

ric colours with contrasting colour thread at no extra charge. You will find the specified colours in our fabric/leather trolley. Please state the no., otherwise tone-in-tone will be delivered.

### Note on upholstery construction:

Tickling cushions have been used in the back. These may show under the cover. This is a typical feature of the product.

### Digital fabric/leather and colour samples:

The visual appearance of the covers and colour samples may vary, samples in accordance - colour and structure deviations possible.
