

[mademoiselle]

requests the pleasure of your company - and has a lot to offer!

[mademoiselle] is an elegant armchair, yet with the right amount of *extravagance*! The sophisticated *swivel base* opens the view in all directions in the room, making time an incidental concern.

Design: Jan Armgardt

This model can also be supplied in a combination of different cover qualities and colours.

Cover: Z79/94 graphite

Combined covers

This model can also be supplied in combined covers and combined cover colours. See order information and image.

**Flexible headrest**

The articles can be equipped with a headrest adjustment with notch function against surcharge. Item-no. = KV1.

**The right turn**

The MD armchair is equipped with a swivel plate.

**Contrasting thread**

In some leather colours this model can be supplied with a contrasting-coloured thread, at no surcharge.

**Order information****Combined covers:**

This model is available fully covered in fabric or leather as well as covered in combined covers. See image and price list.

Seam appearance:

Decorative, felled or double seams may appear different in fabric and leather versions. For manufacturing reasons, seams may be left out of the fabric version or replaced with simple seams.

Contrasting thread:

In some leather colours, this model can be supplied with a contrasting coloured thread, at no surcharge. The colours as given can be found on the main sheet of each leather quality in the fabric/leather wagon. Please always specify the contrasting thread number or tonal colours will be supplied.

All of the dimensions given are approximate dimensions in cm. We reserve the right to make changes. Dimensions are given as follows: width/depth/height/seat height. The depth measures contain protruding of the overlapping headrest, if the headrest is folded backwards.

Seat depth: approx. **54 cm**

Height, if headrest up: ca. **84 cm**

Model-specific qualities:

The upholstery of this model has intentionally been made loosely to create a certain visual effect. This is not a quality defect but a model-specific characteristic that guarantees optimum seat comfort.

Information on the upholstery structure:

Chamber cushions filled with a high-quality mix of polyester fibres and foam rods have been used in the seat and back.

This can lead to depression of the individual chambers, which is a typical product characteristic.

Order checklist

- Cover
- Leg design
- Metal colour for legs
- Contrasting thread
