steel
for ind. armc.

SX

5-spoke-metal-leg
no surcharge for ind.
armc.

Flexible headrest

Every article is equipped with stageless headrest adjustment for standard.

Seat- /back adjustment

The armchairs have a motorised seat- /back adjustment for standard. For surcharge the function is available with battery pack.

Metal colours for legs

All feet can be ordered in glossy chrome, silver, bronze or black. Please specify the desired look.

Contrast thread

This model is available in leather and some fabric colours with contrasting colour thread on request at no extra charge.

ORDER INFORMATION

Seam appearance:

Decorative, felled or double seams may appear different in fabric and leather versions. For manufacturing reasons, seams may be left out of the fabric version or replaced with simple seams.

Contrasting thread:

This model is available in leather and some fabric colours with contrasting colour thread at no extra charge. You will find the specified colours

in our fabric/leather trolley. Please state the no., otherwise tone-in-tone will be delivered.

Please note: If the contrasting thread implementation is ordered, the tufting of the armchair M DR is produced without contrasting thread tone to tone.

All dimensions given are approximate measurements in inches. We reserve the right to make changes. The dimensions are given in width/depth/height/seat height.

The swivel legs protrude. The dimensions are given excluding this protrusion. Seat depth: ca. **57 cm**

Seat depth with function: approx. **102 cm**

Seat width front: approx. **51 cm**

Armpart width: approx. **12 cm**

Armpart height: approx. **61 cm**

Crease formation:

Cover material stretches to a lesser or larger extent under the influence of body weight, which

can lead to the formation of creases in the cover. This visual change does not affect use, function and life span and it is not a defect.

Please note:

Special designs may be made on some elements in return for an extra charge. Please consult us. We are happy to make your dreams come true.

Rotary limitation:

The armchairs with stream supply by net cable

are defeated by a rotary limitation to maximum 355° what serves for the protection of the net cable.

Adjustment by motor with battery pack:

Please pay attention that with using the adjustment by double motor with battery pack the battery has to be charged completely every 4-6 weeks.
