**Flexible headrest**

Every article is equipped with stageless headrest adjustment for standard.

**Seat- /back adjustment**

The armchairs have a motorised seat- /back adjustment for standard. For surcharge the function is available with battery pack.

**Metal colours for legs**

All legs can be ordered in glossy chrome, silver, bronze or black. Please specify.

**Contrast thread**

This model is available in leather and some fabric colours with contrasting colour thread on request at no extra charge.

ORDER INFORMATION**Seam appearance:**

Decorative, felled or double seams may appear different in fabric and leather versions. For manufacturing reasons, seams may be left out of the fabric version or replaced with simple seams.

Contrasting thread:

This model is available in leather and some fabric colours with contrasting colour thread at no extra charge. You will find the specified colours in our fabric/leather trolley. Please state the no., otherwise tone-in-tone will be delivered.

Please note: If the contrasting thread implementation is ordered, the tufting of the armchair M DR is produced without contrasting thread tone to tone.

All dimensions given are approximate measurements in inches. We reserve the right to make changes. The dimensions are www.schillig.com

given in width/depth/height/seat height.

The swivel legs protrude. The dimensions are given excluding this protrusion. Seat

depth: ca. **57 cm**

Seat depth with function: approx. **102 cm**

Seat width front: approx. **51 cm**

Armrest width: approx. **12 cm**

Armrest height: approx. **61 cm**

Crease formation:

Fabric and leather stretch during use, „creases“ may form in the cover. This has no influence on use, function and service life and does not constitute a material defect.

Please note:

Special designs may be made on some elements in return for an extra charge. Please consult us. We are happy to make your dreams come true.

Rotary limitation:

The armchairs with stream supply by net cable are defeated by a rotary limitation to maximum 355° what serves for the protection of the net cable.

Adjustment by motor with battery pack:

Please pay attention that with using the adjustment by double motor with battery pack the battery has to be charged completely every 4-6 weeks.

- 2. Seat suspension** with permanently elastic wave springs
- 3. Seat upholstery structure** of **ergo**-PUR-foam with diolen cover
- 4. Back suspension** with suspension
- 5. Back upholstery structure** of **ergo**-PUR-foam with diolen cover

Upholstered furniture from passion.

For more than 75 years, this passion has led to the creation of high-quality and special pieces of furniture and designer furniture - sofas that combine elegant and contemporary design with first-class comfort. We stand for craftsmanship, trend-setting ideas, appealing design and know-how from Germany. The result is upholstered furniture with guaranteed first-class comfort and attention to detail. When selecting our materials, we prioritise quality, durability and compliance with the DIN & RAL guidelines of the DGM.

- Traditional craftsmanship down to the last detail
- High-quality materials for a long service life
- Careful & precise workmanship
- Cooperation with renowned furniture designers
- Production according to DIN & RAL quality guidelines of the Deutsche Gütegemeinschaft Möbel e.V.
- Regularly tested product quality
- Development at the Upper Franconian location in Ebersdorf near Coburg
- Carefully selected fabric and leather cover collections in many colours for a wide range of requirements.
