Pilling behaviour:	★★★

Right reserved to make structural and colour changes!

**Care and cleaning:** For further information, please visit [www.schillig-moebelpflege.de](http://www.schillig-moebelpflege.de)  
After cleaning and subsequent drying, the fabric should be carefully brushed in the direction of the stroke using a soft brush.

**Characteristics typical of the product:**

- Pilling is unavoidable and can be caused by the adherence of clothing and other textile fibres.
- Seat shine is unavoidable.
- Light patches occur on regularly used areas.
- This textile is layered with a stain protection.
- Caution: If the material is of a light colour, soiling and jeans rubbing will show up faster and more clearly than on dark colours.

**Caution:** Discolouration caused by textiles are excluded from every manufacturer warranty.  
This is not a fault in the material, but a defect in the clothing material. The complaint should be addressed to the clothing store where the article was purchased. The „polluter pays“ is the principle that applies here..
