Light fastness: ★★

Pilling behaviour ★★

Right reserved to make structural and colour changes!

**Care and cleaning:** with commercially available products

### Characteristics typical of the product:

- Seat shine is unavoidable.
- Pilling is unavoidable and can be caused by the adherence of clothing and other textile fibres.
- When in use patina and shiny patches must be expected.
- Loops caused by catching on sharp objects or Velcro strip are to be expected.
- Caution: If the material is of a light colour, soiling and jeans rubbing will show up faster and more clearly than on dark colours.

**Caution:** Discolouration caused by textiles are excluded from every manufacturer warranty.

This is not a fault in the material, but a defect in the clothing material. The complaint should be addressed to the clothing store where the article was purchased. The „polluter pays“ is the principle that applies here.
